Expandable Rim Inspection + Repair Process

Our technicians disassemble your expandable rim and thoroughly clean and inspect every component. Keyways out of spec are welded and recut to tolerance. All worn hardware is replaced and a safety pop-off valve is added. Every used belt is replaced with a Genuine Bulldog Belt.

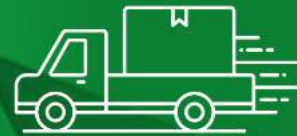

Finished Rims Trued & Tested

Every rim is fully assembled, Trued and Tested before it is packaged to ship back to you.

Plus,

All our expandable rim work includes the
BULLDOG "TOP-DOG" WARRANTY
on parts and workmanship for 6 months!

BULLDOG EXPANDABLE RIM SERVICE

RE-BELTING, REBUILDING, REFURBISHING
LOUISVILLE, KENTUCKY USA

CUSTOMER SERVICE YOU CAN COUNT ON IN 5 EASY STEPS :

1.

Call us at 800-354-4495 or
Email: Order@ShamrockMarketingInc.com
We'll email you a prepaid UPS label and
book the pick up.

2.

Package your rims in a sturdy cardboard box.
Please place any loose parts in a bag &
secure the bag inside the box or to a rim
segment.

3.

Print and place the pre-addressed, prepaid
UPS label onto the outside of the box. Be
sure to note the tracking number on the
UPS label for your records.

4.

Give the package to any UPS driver or notify
Shamrock to schedule the pick-up.

5.

Your expandable rim inspection report will
be provided to you promptly and before
any work begins.
